

V65

Endless Sweeping Solutions™

BUCHER

municipal

SIMPLICITY

Smart machine technology to simplify operations and streamline service. Centralized sealed systems locker. "Unhanded" sweep gear components. Toploading catch basin cleaner that will permit a work coverage range of 270° and also safely shields the operator from oncoming traffic.

PERFORMANCE

Energy-efficient fan system, direct drive with fluid coupler & set-up gear box transmission with full 5-year warranty, no belts to adjust. 12' sweep path with "straight inlet" vacuum. Exclusive "one-pass" sweeping system.

DURABILITY

Stainless Steel Construction – 8.5yd³ usable hopper, 415 gallon water tank, fan and hopper filtration screens.

SUPPORT

Backed by carefully selected authorized dealer network; highly trained and extremely committed.

VALUE

Peace of mind factory warranty. Unmatched 2yr/2000hr "No Hassle, All-Inclusive" full machine warranty: best in industry. LIFETIME WARRANTY debris hopper & water tank.

Introducing Our CityCat family

BUCHER municipal

CityCat V20

- Articulated steering
- 25 MPH travel speed
- 2.3 ton payload
- 2.61 yd³ (2 m³) usage volume
- 83" (2700 mm) sweeping width
- 112 gallon (425 l) water volume
- Emission standard Tier 4 Final
- PM 2.5/10 certified

CityCat V20e

- Articulated steering
- 25 MPH top speed
- 2.3-ton payload
- 2.6 yd³ (2 m³) usable volume
- 106" (2700 mm) sweeping width
- 112 gallon (425 l) water volume
- 63 kWh automotive Li-ion battery
- PM 2.5/10 certified

CityCat 5006

- Water capacity 235 gallons (880 l)
- 7.3 yd³ (5.6 m³) usable volume
- Hydrostatic-controlled four-wheel steering
- Cabin designed for 3 people
- Up to 31 MPH
- Lowest fuel consumption: Best in class
- PM2.5/10 certified
